**BROTHERS AND SISTERS,**

**LOCAL 132 WISHING YOU HAPPY HOLIDAYS!**

2024 is coming to an end. With your vote, we strive to end the year by securing a strong contract with no member takeaways, no increases to medical cost sharing, a record 1100 employees upgraded by one pay grade, and record-breaking general wage increases. As we enter 2025, we will continue to work hard for our members to secure our future.

The holiday season is a perfect time to reflect on the year gone by, appreciate the successes, and take a well deserved break with loved ones. It's easy to get caught up in the constant push forward, but moments of pause and connection are what truly enrich our lives. Wishing you a peaceful and joyful holiday season, filled with meaningful moments and well earned rest. Here's to celebrating everything you've accomplished and the people who make it all worthwhile!

The new year brings a fresh start, and it's important to recharge before diving into the work ahead. Take this time to embrace the joy of the season, whether that means reconnecting with old friends, forging new connections, or simply enjoying moments of peace. When 2025 arrives, you'll be ready to tackle your goals with renewed enthusiasm and energy.

On behalf of the officers and the Executive Board, we extend our warmest wishes to you and your loved ones for a healthy, safe, and prosperous New Year! May 2025 bring you joy, success, and fulfillment in all that you do. Here's to a year of new opportunities, growth, and cherished moments.

Sincerely,

*Joe J. Moreno*
