# 3rd Quarter Women's Caucus Meeting

7/24/25

### **Local 132 (Southern California): Leadership Development and Community Engagement:**

We had the opportunity to attend the UALE (United Association of Labor Education) Western Region Women's Summer School. This enriching experience provided us with valuable tools, fresh perspectives, and deeper knowledge to further our leadership journey within the labor movement. We also participated in the LA CLUW Chapter Summer Social and are looking forward to working with Inland Community Services, contributing to local fundraising efforts.

We're excited to continue expanding our Adopt-a-School Initiative. This year, we're exploring the launch of a new support event tailored to address the needs of after-school programs impacted by budget cuts. In addition, we're focusing on preparing high school students for life after graduation by offering interview skills training. Our partnerships with local elementary schools remain strong, and we look forward to continuing our participation in their career day events.

To foster sisterhood and strengthen, we will host our first Women's Caucus Social on Saturday, October 11th. This gathering will serve as a space to connect, share ideas, and build community support.

Looking ahead, we're committed to:

- Expanding our Women's Caucus locally to increase engagement.
- Hosting local leadership training sessions.
- Deepening our work with the Adopt-a-School Initiative.

Alexa Barraza  
Women Caucus Chair
