AQMD Hearing, CALL TO ACTION!

4/16/25

Good morning,

We have been notified of a public hearing taking place 4/18/25:

Dr. William A. Burke Auditorium
South Coast AQMD Headquarters
21865 Copley Drive, Diamond Bar
@ 10:30a via in-person or remote.

This hearing is being held by the Air Quality Management District (AQMD)

They will be proposing amendments to water and space heating appliances, rules 1111 and 1121 that will make it difficult for customers and our members to purchase gas appliances for their homes by imposing mitigation fees on manufacturers that will then reflect financially on customers and members of our Local. The fees range from 50\$ increasing up to 500\$ adjusted annually from 2027 with a 3% cap, this can add up to thousands of dollars imposed making it harder to afford natural gas appliances. We call on our members to attend either virtually or in-person to voice their valued opinions on this matter. We will be in person at 10:30a, on AQMD's website there are hearings at 9a,10:30a,12p.
