

## **Joint Steering Committee Communication**

5/16/25

The Joint Steering Committee is aware of the communication from SoCal gas Chief Operating Officer Rodger Schwecke referencing Gas Operations as well as the Company is actively seeking personnel to work in Santa Monica ETR group. The Joint Steering Committee has previously arranged a meeting next week with the intention of addressing both the Company's needs and member concerns, this communication will be added to the agenda.

More communication to follow.
