Happy Memorial Day!

Memorial Day is a time for honoring the brave men and women who have sacrificed their lives in service to our country. It is a day of remembrance and gratitude, recognizing the ultimate sacrifice made by members of the armed forces to protect the freedoms and values we hold dear. This day also serves as a reminder of the cost of freedom and the importance of maintaining our commitment to supporting our veterans and their families.

It has come to Local 132's attention that the company has been attempting to avoid this cost by refusing to pay a large portion of our reservist members their deployment benefits when they have been called to duty.

If you are a reservist who has been deployed after completing your probation, but the company has refused to pay you your reserve duty benefits, please get in touch with me as soon as possible. Ensuring that all our employees receive the benefits they deserve, especially those serving our country, is of utmost importance to the Veterans Committee and Local 132
