Important Update: CBA Extension and Upcoming Joint Steering Committee Meeting

The Union and the Company have reached an agreement to extend the current Collective Bargaining Agreement (CBA) until 11:59 PM on January 9, 2025. This extension provides both sides the time needed to continue discussions in a fair and collaborative manner.

On January 9th, we will hold our scheduled monthly Joint Steering Committee meeting, where we will review progress, address any outstanding issues, and determine next steps for negotiations. During this meeting, we may also discuss further extending the CBA to ensure continued progress between the Union and the Company.

We encourage all members to review the extension agreement, which has been posted under Member Resources for your reference. Your understanding and engagement are critical as we work together to achieve the best possible outcome for everyone involved.

Thank you for your continued support and commitment as we move forward.

In solidarity,

Joe J. Moreno
