Shop Steward & Regional Trainings

4/3/25

Good morning,

On behalf of Local 132 we would like to inform the membership that we aim to add value to our Regional Officers and Stewards; to do this we will be using the resources provided to us by our Nationals, Counsel and whoever provides any sort of training that will enrich the knowledge in our representation of the membership. One of our many goals as a Local moving into the future is to make sure our Regionals and Stewards have the resources to fully represent our members, were going to invest back into the members so to speak. The title of Regional or Shop Steward will not be just a title, it will be a pillar of confidence that you may lean on in times of need, the need for knowledge and leadership.

I look forward to the bright future of this Local!

Thank you!
