NEGOTIATIONS DAY 1

June 18, 2024

The Unions and the company met for the first day of negotiations today. The unions discussed and reached agreement with the company on ground rules for negotiations.

We will provide updates as negotiations progress at the end of the day or by the next day via text blast. We ask that you remain patient, supportive, and involved as negotiations progress.

The company has already issued a statement to the membership. We ask that you read these with caution and a questioning eye.

We are focused and determined to bring you the best contract possible. With your support, we can bring you a contract that we can all be proud of.

In solidarity,
UWUA Local 132 Negotiating Team
