

# **NEGOTIATIONS**

## **DAY-4**

June 27, 2024

Today was day 4 of negotiations. To date, the Company's proposals are focused on putting agreements that have been made since the last CBA in the new contract.

The Union's proposals have focused on bringing wages for job classifications up to current industry standards, providing better union representation, and for employees to enhance work/life balance.

Please share with your union coworkers that the Local 132 website ([uwua132.org](http://uwua132.org)) is up. Text messages are being sent with a link to the website to see updates as they are posted. The phone number is 626-609-3650 for text blasts. Please save this number to your contacts to ensure you receive updates. Take the time to register on the website to get updates as new information is posted.

In solidarity,
